# Why using thesis template?

- 1) Create your own template, customize your headings, subheading, numbering etc.
- 2) Discover what you need/want to write
- 3) Earliest version of piece of writing 'the draft' even before the real draft.
- 4) Easy to navigate
- 6) Easy to extract

# Features of Google Drive

- 1) Google Docs
  - 2) Google Sheet
  - 3) Google Forms
  - 4) Google Slides
